## From the Principal's Desk

Dear Parents,

On Monday, March 22, middle school students attended a special assembly by Mike McCoy Ministries. As a former Green Bay Packer and a member of the NFL for 11 years, Mike gives faith-based messages to Catholic youth. He gives them encouragement and hope to be morally focused to develop self-confidence and a positive self-image so they can deal with peer pressure and problems. His presentation was excellent. Your child should also have a letter from Mike that you can use as talking points to discuss his message and to continue further dialogue around this subject matter.

On Thursday, March 25, we had our Forensics Festival. There were 46 students that participated from grades three through eighth. The students were terrific and did an outstanding job reading their pieces. Mrs. Paulus, Mrs. Nichol, and Mrs. Goertz did an excellent job working with the students and organizing this wonderful event. Thank you to all of the parent volunteers and judges!

Finally, I would like to take a few minutes to encourage all of you to partake in the very special liturgies this week as this is the most important time in the church year. As a school, the students have been involved in different activities during Lent to become more prayerful and closer to God. We do this in preparation for Easter. As we move into the Easter Triduum, it is important that students also partake and understand these very special days. If you tend to only attend the Easter vigil or Easter Sunday mass, I would encourage you as a family to attend Holy Thursday and Good Friday as well. These three days are meant to be celebrated together so we truly experience the death and resurrection of Christ.

Finally, I would like to wish all of you a very Blessed Easter.

Sue Shawver  
Principal
